

ENVIRONMENTALLY RESPONSIBLE DISPOSAL, MANAGEMENT, REPORTING

CHEMICAL DISPOSAL SERVICES

We are a Nation Wide environmental service company who adheres strictly to the regulations set by the Ministry of the Environment. At ECS, our sales and service professionals will take the time to work with you to make sure all of your waste chemicals are handled and disposed of responsibly. Our team will help you organize your chemical waste streams for proper identification, handling and storage.

CHEMICAL PROGRAMS

ECS has prepared a number of customized programs to help make sure your company is compliant in regards to MOE, HWIN, WHMIS, MSDS and WSIB regulations. We will help you choose the best option in handling your company's waste; either chemical disposal or through one of our on-site recycling systems.

We will review your current procedures and provide information about onsite storage, labeling, safety equipment, collection of waste, etc. We can even provide the products to support our recommendations. We also perform Bankruptcy clean out jobs projects of various industries.

Need help with HWIN?

- Renewals
- Add Waste Classes & Characteristics
- Form 2B Completion
- LDR Updates

Visit www.ecs-cares.com/chemical.html for more information.
